

MS-3 Music Streamer

From the casual listener to the audiophile, streaming music has never been easier with RTI Music and the MS-3 Music Streamer. Seamlessly deliver Hi-Res Audio (24bit/192kHz) into every room with a tap on a touch panel, remote or the RTI control app on your phone. Whether you are streaming music from your favorite platform or from your local NAS, the MS-3 will outperform your expectations.

RTI Music supports multiple independent sources and allows for three concurrent streams. Streaming sources include Pandora, Spotify, iHeart Radio, SiriusXM, SiriusXM for Business, SoundMachine, and TuneIn. The AirPlay interface enables streaming from Apple Music and Amazon music. The Music Queue features a play now, play later, and play soon options to build an on-the-fly song queue while the Favorites playlists integrates songs from multiple services and local devices.

Key Features

- Multiple independent audio sources, three concurrent streams.
- Fully integrates with RTI's Integration Designer platform.
- Search through streaming services and local music with an integrated keyboard.
- Search, create, and edit playlist and queues on the fly with "Play Now", "Play Next", and "Play Soon".

RTI Music Experience

All-in-one favorites

Easily create a favorites playlist with songs, artist, and stations from any platform on the MS-3.

Spotify Browsing

Full Spotify integration allows access to all Spotify features such as browsing, personal music library and favorites.

Personal Music

Listen to music from a local NAS drive or your computer through the MS-3 for instant access to your music collections.

Lossless Audio

Expand the dynamic range of your music and hear everything when you play your lossless music files. (FLAC and ALAC)

Airplay

Stream Apple Music or have a guest play from their favorite platform on any Apple device

Multiple Streams

Not everyone has the same taste in music. Let up to three different people listen to their choice in music.

Music Queue

Play Now, Play Later, or Play Soon! Build a queue of songs in the order you want on the fly.
