

# RTI music

ONE APP. THREE STREAMS.

# UNLIMITED EXCITEMENT!

The new RTI Music App and  
the MS-3 Music Streamer.

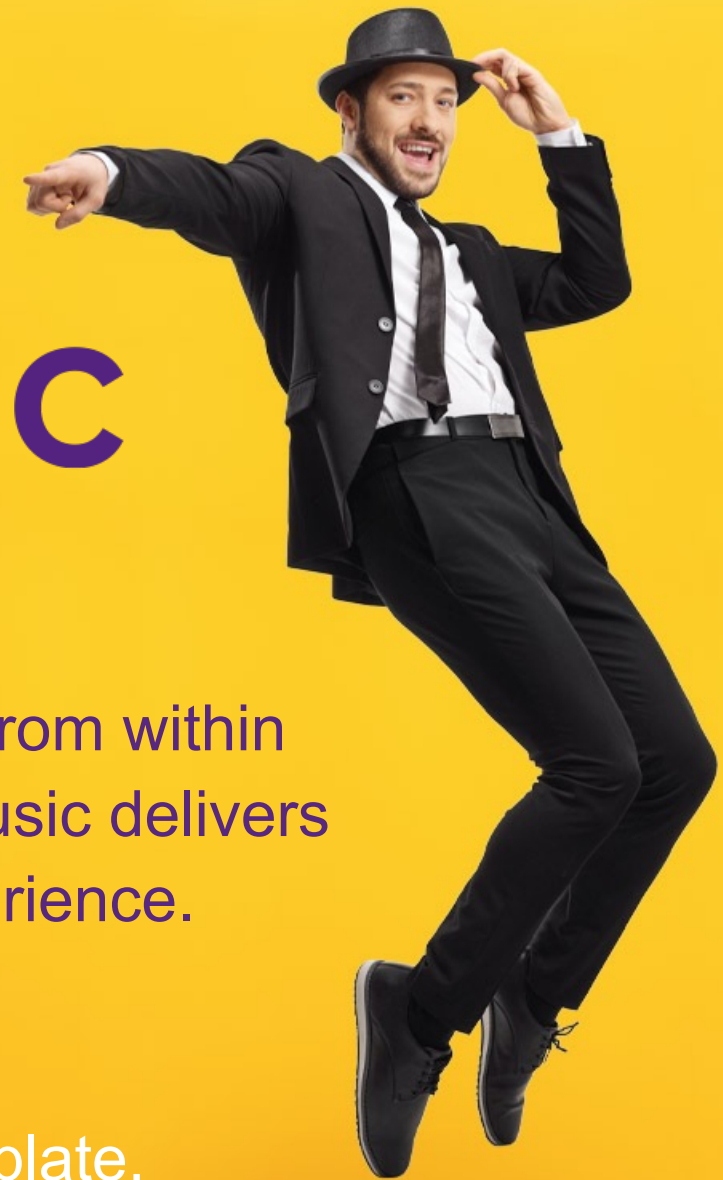

# RTI music

*For Users:*  
With native control from within  
the RTI App, RTI Music delivers  
an exceptional experience.

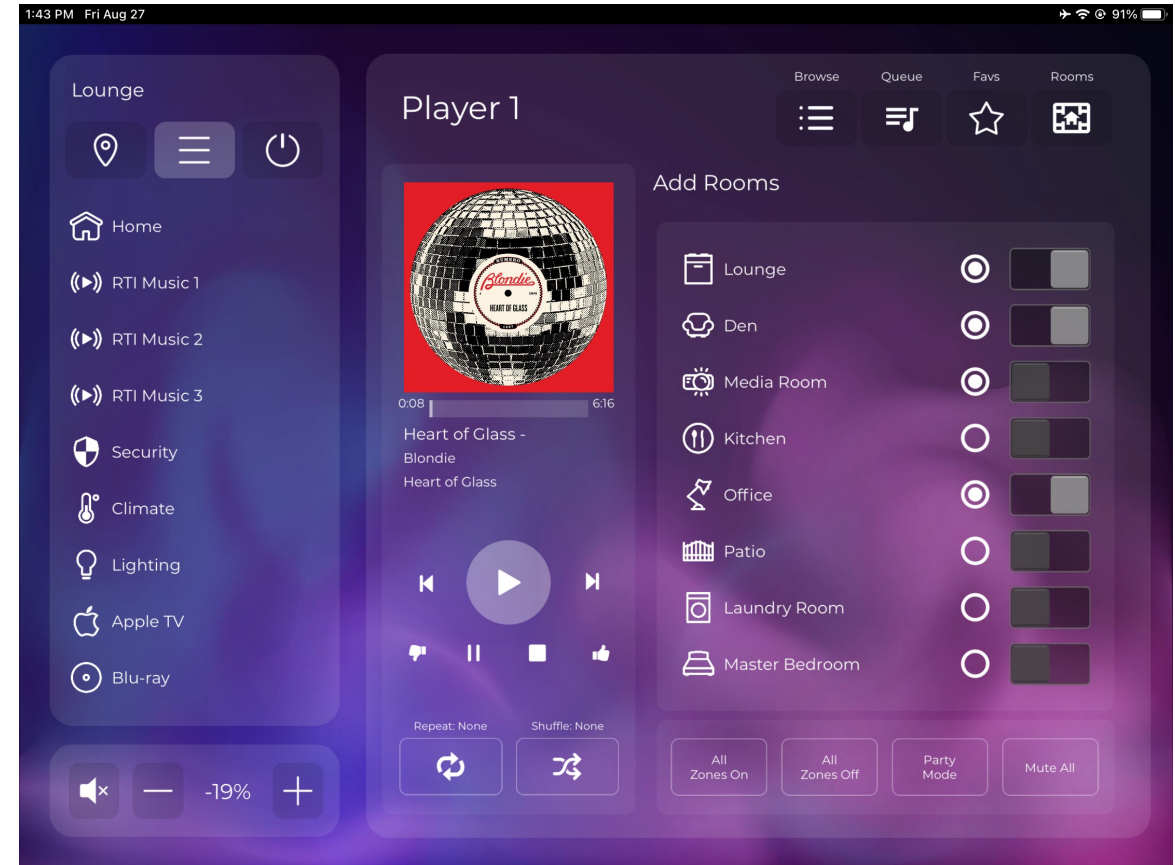

*For Integrators:*  
The new Integration Designer template,  
auto-programming configuration utility, and rack-mount  
convenience make this an integrator-friendly solution.

# RTI MUSIC HIGHLIGHTS

- Native RTI Control (Single App)
- 7 Built-in Streaming services\*
  - And more coming
- Create and edit playlists, favorites, and queues across platforms and on the fly
